We offer a three-year-old program on Tuesdays and Thursdays and our four-year-old program will continue on Monday, Wednesday and Friday. We also have a choice of half-day and full day kindergarten.

(Remember to note on your registration form if you have referred a new family to Immanuel for the 2010-2011 school year and they have enrolled)

ALUMINUM CAN COLLECTION

Remember to bring your cans and can pull tabs Sunday, March 14th.

Take a little extra time to separate the can pull tabs from the cans since the pull tabs benefit the 3rd grade class. The pull tabs are taken to Children's Hospital to benefit a project there. Our collection will be outside the church/school office entrance every second Sunday of the month.

International Fair Held at Immanuel

A big "thank you" to Immanuel church and school for allowing the Girl Scouts of Immanuel to host the International Fair for the Meadow Springs Service Unit in the Field House on Friday, February 19, 2010. We had over 350 Girl Scouts from grade schools and middle schools located in Lannon, Sussex, Norhtwest Brookfield and Butler (St. Agnes) at Immanuel participating in the event. Over 25 Girl Scout Troops participated in setting up booths representing countries from around the world to commemorate Girl Scout Thinking Day. It was exciting to see the parking lot full and the gym packed with people from our community who may not have been aware of Immanuel before that evening. Thank you to Laura Barton and Jim Radewahn for their help in making Immanuel a wonderful venue for this event.

SAVE THE DATE

Help the youth earn funds for the National Youth Gathering by eating out at Culvers located on 124th and Capitol. Monday, March 15th our youth will receive 10% of the sales that are accompanied by an Immanuel Lutheran voucher. Vouchers will be attached to next weeks TNT. Join us for a night of fun and fellowship.

FLOWERS...SUMMER PLANTINGS

The youth will be selling Shady Lane Nursery coupons to purchase flowers, nursery stock, shrubs, hanging baskets, bedding plants and roses. Coupons will be sold in \$10.00 denominations. Give them as gifts for special occasions such as: birthdays, Easter, Mother's Day or a teacher's gift. Use them to buy your summer flowers, shrubs, or trees. Purchasing coupons helps the Immanuel youth without spending any extra money. It is just like Scrip, you spend \$10.00 you get \$10.00 and the youth will make \$2.50 on every \$10.00 coupon sold. You may purchase them beginning March 7th - May 31st after church services in the Support Room/Bookstore, at soup suppers, pancake breakfasts or just find a youth that is going to the National Youth Gathering. Tuesday, May 4th from 5-8pm coupons can be used at Shady Lane annual shopping night.
