

Do something

Immanuel Lutheran
Embracing Equipping Engaging

BIG this year at Immanuel

Immanuel is starting several new small groups. Small groups are intentional places where Immanuel members and friends build godly relationships to encourage, support, and pray for one another. Small groups should meet at least once a month to accomplish those goals as they invest in doing life together. Sign up a group of Immanuel friends (write your new or existing group on the back) or be partnered with others in the Immanuel family!

Best Way to Reach You
