Having read the Immanuel Lutheran Handbook, I, as a parent of _____ give my permission for him/her to participate in the athletic program at Immanuel. I understand that he/she shall be at all practices and games unless otherwise excused. I also assume financial responsibility for the maintenance of issued uniforms and equipment and will return cleaned uniforms within one week of the end of the season.

I also give permission for necessary emergency medical attention to be given to my child, knowing that I will be notified of my child's condition as soon as possible if I am not in attendance at the time.

There will be times during the year when transportation to an athletic event will be required for the participants. I, therefore, give permission for my child to be transported in a motor vehicle, by a parent, at some time during his/her sport season. I will also make every effort to share in the driving.
